

FOREST BOTANICALS COMPANY PLEDGE

I commit to becoming a more conscious herbal products company by pledging to take the following actions:

SOURCE SUSTAINABLY

1. Create an ethical wild harvesting agreement if you don't already have one. Examples on SHP's website!
2. Interested in purchasing Forest Grown Verified forest botanicals? Contact ASD's Appalachian Harvest Herb Hub for more details and availability.

PROVIDE INPUT

1. Fill out the survey to provide input on ABFFC's Point of Harvest Certification program to train and certify wild harvesters on forest botanical best practices.
2. Join the American Forest Farming Council (AFFC) - fill out the survey to get involved.

INVEST IN THE FUTURE

1. Contact ABFFC to sponsor a forest farmer training.
2. Contact ASD to subsidize forest botanical planting stock and certifications.
3. Donate to ASD to support forest farmers and conservation.
